Medical Nutrition Therapy Referral Process

Thank you for making a Medical Nutrition Therapy (MNT) referral to Lynise Perry Nutrition, LLC. Your patients are important to us, and we want to ensure that they receive the appropriate care in a timely manner. I currently accept **Medicare, Humana, Aetna, and United Health Care**. Please review the following guidelines to make this process both efficient and effective.

- o Complete an MNT form. The following are **REQUIRED**.
 - medical diagnosis
 - ICD 10 diagnosis code
 - physician’s signature and NPI number
- o Fax the referral to Your Business Name at 757-909-0009. Fax number is provided on the referral form. Lynise Perry Nutrition is HIPAA compliant, and referrals are received via a secure e-fax.
- o Have your office or patient call to schedule an appointment: 757-418-6052.
- o Lynise Perry Nutrition will send a follow-up report within 30 days of the referral to inform him/her of the status of the referral.
- o A report of the MNT appointment will be faxed to the referring clinician and will note any scheduled follow-up visits.
- o If unable to reach the patient with 3 or more attempts by phone/letter or the patient declines services, Lynise Perry Nutrition will notify the referring clinician via fax to complete the referral process. The clinician may refer the patient again as needed.
- o If the patient misses a scheduled appointment, Lynise Perry Nutrition will attempt to reschedule. The referring physician will be notified when a patient misses two, consecutive appointments and request they refer the patient again as needed.
